INFORMATION #5

To All Residents,

All Residents are required to comply with the Fire Protection and Prevention Act, 1997, Ontario Regulation 213/07, under section 2.7.2.2. (1) (a)(b), “every exit door shall be such that the door can be readily opened to permit egress without requiring keys, special devices or specialized knowledge of the door opening mechanism”.

The only locks permitted on the unit exit doors is a lock which requires a key to manually secure the door.

If you require further information or explanation please contact the YCC #41 Office at 416-264-391.

The Board of Directors of York Condominium Corporation No. 41
