## **Noise Complaint / Renovations in Units**

Please also be reminded of YCC #41 Rule # 25, which states: No owner shall cause any noise to be made or anything to be done that will interfere unreasonably with other Residents. Please be considerate of your neighbours and the noise emitting from each unit.

If you are renovating your unit, please notify the YCC #41 Office and be reminded that renovation work is only permitted in units during the hours of 9:00 a.m. and 8:00 p.m. Monday – Saturday. Renovation work is not permitted on Sunday and statutory holidays.
