- **Renovation & Repairs**

Prior to any major repair/renovation is undertaken in units, all Residents must complete the “Renovations Form”; Renovation Forms are available from the office or can be downloaded from the website. Renovations are only permitted in units during the hours of 9:00 a.m. and 8:00 p.m. (York Condominium Corporation No. 41 Rule #43).

If you are renovating your unit you must make arrangements to have your construction debris removed. Construction material cannot be disposed of in the garbage or recycling bins.
