Waste Disposal Guide

- **GARBAGE ROOM**

The Garbage Room is located on the 1st floor. The Garbage Room is open 7:00 am to 10:00 pm daily.

- **GARBAGE**

All household garbage must be bagged and put down the Garbage Chute, and not left on the garbage room floor. If the garbage bag is too large or heavy to put down the Garbage Chute it must be taken to the Garbage Room. Garbage Bins are labeled “G”. Garbage is picked up on Tuesdays and Fridays*.

- **RECYCLING**

All Recycling items must be disposed of the Recycling Bins located in the Garbage Room. Do not leave recycling on floor of chute room. Breakdown all boxes. Recycling is picked up on Thursday. Recycling Bins are labeled “Recycle”.

- **ORGANIC**

Organic Waste must be disposed of in the Organic Green Bin in the Visitor’s Parking Lot. Organic Waste is picked up on Friday*.

- **SPECIAL PICK UP**

Large items such as furniture, etc. are to be disposed of on Wednesday evenings only, as pick up for these items is on Thursday morning. Place items on North side the Visitor’s Parking Lot by curb.

- **ELECTRONIC WASTE**

Electronic waste items are to be place in the green E- Bins, located in the Garbage Room.

- **HAZARDOUR WASTE**

Hazardous waste items (batteries, paint cans, light bulbs ...etc.) are to be brought to the Garbage Room on the 1st floor and placed beside the E-Bins for Toxic Pick Up.

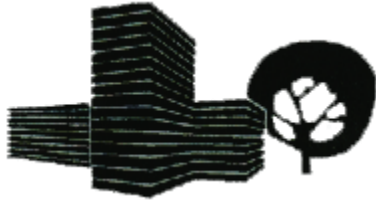

- **COOKING OIL**

Cooking oil is to be brought to the Garbage Room in a sealed container and placed on the collection bin. The Superintendents will dispose of oil properly.

- **RENOVATION DEBRIS**

If you are renovating your unit you must make arrangements to have your construction debris disposed of at a waste transfer center.

* Unless there is a Statutory Holiday, then pickup will be rescheduled

Sorting Your Garbage

Green Bin (Organic): Organic waste refers to food products; items such as fruit, vegetables, breads, rice, meat and dairy products, including eggs/ egg shells, tea bags and coffee filters. Organic waste also includes, plants/soil, animal waste, tissues, napkins and paper towels (not soiled with cleaning products), diapers. Food packaging such as flour and sugar bags, ice cream containers...etc. can also be put in the green bin.

Special Pick Up: Special pick up is for larger items such as furniture. Items are to be disposed of on Thursday evening only, as pick up for these items is on Friday. Disposal of special pick up items in visitor's parking near the green bin.

E-Boxes: The E-Box is for recycling small electronic waste products; items such as cell/home phones, computers equipment, TVs, DVD, video and camera equipment, stereos and speakers. The E-Box located in the garbage room.

Household Hazardous Waste: Household hazardous waste such as batteries, empty paint pails, and compact fluorescent light bulbs must be taken to a City of Toronto Run Drop –Off Depot; such items must never be disposed of in the garbage bins.

Garbage from Renovations: If you are renovating your unit you must make arrangements to have your construction debris including old cabinetry, pipes, plaster, fixtures and flooring including wood or tiles removed yourself. The City of Toronto no longer allows us to put this type of material into our garbage bins. We could be fined by the City of Toronto for putting the wrong materials into either the garbage or recycling bins.

Garbage Items Include

Aluminum: foil food wrap, potato chip bags, metallic gift wrap.

Fibres: tissues, waxed paper, foil gift wrap, waxed cardboard and clothes.

Glass: drinking glasses, dishes, cups, crystal, window glass, light bulbs (not CFLs), mirrors, pottery, pots and pans.

Medical waste (home): bags, filters and tubes.

Markham Glen

Disposing of Cooking Oil

As of April 27, 2016 the York Condominium Corporation No. 41 has made arrangements for used cooking oil to be recycled environmentally friendly fashion. The collection of

Markham Glen

cooking oil will prevent our kitchen drains from clogging and prevent expensive plumbing repairs. The Board asking for your co-operation in this project to help us save money as well as participate in recycling.

- Collect used cooking oil in an unbreakable container.
 - Bring cooking oil to the garbage room.
 - Place cooking oil on the floor beside the collection bin.
 - The Superintendents will empty the cooking oil into the container for you.
 - Do not pour cooking oil down drains or dispose of it down the garbage chutes.
-
